

March 25, 1983

LB 173

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee amendments.

PRESIDENT: The committee amendment is adopted. Senator Sieck.

SENATOR SIECK: Yes, on the bill. LB 173 would allow the Game and Parks Commission to issue a lifetime hunting, fishing or combination of hunting and fishing license. The cost of a lifetime license would be \$200 for hunting or fishing license and \$400 for a combination license or twenty times the annual fee, whichever is greater. The lifetime licenseholder would still be required to purchase any stamp such as the habitat stamp on a yearly basis. The proceeds from the sales of lifetime licenses would be invested and only the income from the investment would be expended by the Game and Parks Commission. A duplicate could be issued by the Commission if the original was lost or destroyed. A lifetime license would be valid even if the holder of the license moved from the state. A special permit would still be required for the hunting of deer, antelope or turkey. This bill would not have much of a fiscal impact one way or the other. I am sure that no great quantity of lifetime licenses will be sold. This bill had no opposition at the public hearing and I urge you to advance the bill.

PRESIDENT: Is there further discussion on the bill? If not, the motion is to advance the bill. All those in favor vote aye, opposed vote no. The motion is to advance 173. Please record your vote. Have you all voted? The Clerk will record the vote.

CLERK: 26 ayes, 0 nays on the motion to advance the bill, Mr. President.

PRESIDENT: LB 173 is advanced. I understand we are passing over LB 174. 214 is also now excluded. Senator Hefner.

SENATOR HEFNER: Mr. President, I would like a point of personal privilege, please.

PRESIDENT: Certainly, state your point.

SENATOR HEFNER: LB 214 is scheduled to come up now and a senator has put an amendment to the committee amendment and since he has done that I cannot locate him and so this is a good way to stall a bill. And so I would like to ask the Speaker for a ruling on this. If the amendment was not put on before the start of the session
